Dear Parents

Vacations are the most appropriate time for kids to refresh and rejuvenate themselves, to be creative, to learn new skills and performance more enthusiastically.

Children have ample energy which should be channelized in the right direction to get the best out of them. We have designed holiday homework, keeping this in mind. It will build their confidence and new skills.

Guidelines for Parents:

1. Holidays homework should be done by the child, under parental guidance.
2. The child should have a fixed time daily, for doing the assignments.
3. Nurture your child's interest – be it art, music, dance or anything else.
4. Let him/her pursue a hobby of his /her own choice.
5. Please train your child to become independent in his daily chores.

Involve child at home in the following tasks –

1. Help to keep the house clean- clear toys, books or craft after they finish playing.
2. Help your mother to set and clear the dinning the table.
3. Remember to converse in English.
4. Be polite while speaking and talk softly.

To enhance children's creativity and innovation for the progressive learning. Help your child to do the following:

- Morning Blessings: Help your child inculcate good habits like doing "Surya Pranam"& encourage him/her to greet all elders in the morning.
- Fun in Knowing: Tell the child about your childhood, share incidents from the past and show him/her old family albums. This will strengthen the bond between you and your child.
- Fun with Books: Read English and Hindi stories to your child with morals.
- Fun with family: Make use of these holidays and spend quality time together as a family and make your child feel special.
- Fun with Parents: Cook dinner together. Show your child how to measure 1 cup, 1/2, 1 teaspoon etc. Start naming the food groups, when you serve them.
- Go for shopping together. Tell your child about market and mall differences, about the things, items and material purchased from there.
- Let your child help in your household chores like cleanings, dusting and many more.
- Have walk together and talk to your child about what he/she likes and dislikes etc.
- Help your child to memorize the home address and your phone numbers too.
